FOOTBALL'S CENTENNIAL YEAR

'RUN FOR ROSE BOWL' ALWAYS A SEASONAL HIGH

Thursday, Jan. 1, 1970 is the date of the 56th renewal of the granddaddy of all post-season football games, the world-renowned Rose Bowl in Pasadena, Calif.

As it has been exclusively since the 1947 game, the champions and/or representative teams of the Pacific-8 Conference and Big Ten Conference will be battling before a capacity throng of 100,807 spectators on New Year's Day.

In the 23 meetings (1947-69) since the first game of the original agreement between the two powerful conferences, the Big Ten has dominated the rivalry with 17 victories to 6 for first the Pacific Coast Conference (1947-59) and now the Pacific-8 (since 1960). It is interesting to note, however, that Pac-8 teams have split with Big Ten teams in past 10 Rose Bowl games (1960-69).

Also worth noting is that since the first Rose Bowl game back in 1902 the "visiting" teams from other sections of the country have won 26 games to 22 victories for Pacific Coast teams, with three games tied and two early games (1918-19) being played between service teams.

UCLA has played in six Rose Bowl games, losing its first five appearances before defeating Michigan State in the 1966 game to cap Tommy Prothro's amazing first season at the Bruin helm.

Here are Rose Bowl scores down through the years:

BRUINS FACE ALL SEVEN PAC-8 TEAMS THIS YEAR

For the first time since the final season of Pacific Coast Conference football play in 1958—that's 11 years ago—UCLA is playing all seven other Pacific-8 Conference members this fall. Last year the Bruins met all conference teams except Oregon, a traditional opponent they are playing for the first time this season since '58.

UCLA holds an all-time won-loss-tied record over each conference rival except USC. The Bruins go into the 1969 season with a 14-7-4 record over Oregon State, 14-6-0 over Washington State, 21-17-1 over California, 21-17-1 over Stanford, 16-15-1 over Washington, 17-11-0 over Oregon and trail 12-21-5 against USC.

And so the Bruins' all-time record against their seven Pacific-8 rivals is 115-94-12 for a .548 winning percentage going into 1969.

Here is UCLA's game-by-game results with its conference rivals in the order they are played this season, with the Bruin score listed first:

THE 1969 BRUINS

RETURNING VETERANS — 30 returning lettermen from the team that was 3-7 last season but showed moments of greatness during an injury-riddled season. Returnees include: Offense—two ends, three tackles, four guards, one center, one quarterback, one quarterback-left half, one left halfback, one right half and two fullbacks. Defense—four ends, two tackles, four linebackers, two cornermen and one safetyman. Also included is Zenon Andrusyshyn, whose punting in 1968 led the Pacific-8 for the second straight season. Of the returnees, the following started games: Offense—Dennis Alumbaugh, lg, 10; Bill Bolden, qb-lh, 6; Gordon Bosserman, lt, 10; Gwen Cooper, le, 5; Mickey Cureton, lh, 3; George Farmer, rh, 5; Steve Freitas, rt, 7; Mike Garratt, re, 10; Greg Jones, lh, 7; Bob Manning, fb, 1; Greg McLandrich, c, 10; Jim Nader, qb, 4; Scott Steele, rt, 3; and Ron Tretter, rg, 4. Defense—Mike Ballou, mlb, 9; Vince Bischof, le, 4; Jim Ford, rc, 1; Bob Geddes, rt, 2; Danny Graham, rh, 7; Wesley Grant, re, 8; Doug Huff, rc, 3; Bruce Jorgensen, le, 1; Lee McElroy, lc, 2; Floyd Reese, rt, 8; Dennis Spurling, ls, 10; Don Widmer, rlb, 10. There have been numerous position changes, few of which will show up prominently to the fans, except possible utilization of Bill Bolden at both left half and quarterback. The Bruins start out with what may be an improved offensive line and backed by Coach Tommy Prothro's top two 1968 ballcarriers in the backfield at the same time—left Half Greg Jones, who netted 476 yards in 121 carries for a 3.93 average and Fullback Mickey Cureton, who shared left half with Jones last Fall while running up 365 yards in 86 carries for a 4.25 average. Both also figured as UCLA's top two kickoff returners with a touchdown apiece in that department. Quarterbacks Bolden and Jim Nader return, but a newcomer, Dennis Dummit, from Long Beach City College, may move in ahead of both. George Farmer, who had only a half-season effort in '68 because of a broken ankle, may be the top receiving target at right half although tight end Mike Garratt, who may be one of UCLA's best, caught 21 last season for 243 yards and three touchdowns. Defensively, the Bruins are headed by middle Linebacker Mike "Cat" Ballou, who may be the best in the nation, and right Tackle Floyd Reese, who is certainly tops in the West, plus a pair of excellent wingmen in Wes Grant and Bob Geddes.

LOSSES—12 lettermen, including the following: Offense—two ends, one tackle, one guard, one center and one fullback. Defense—one end, one tackle, two cornerbacks, one linebacker and one halfback. Of the total losses, following is the list of starters: Offense—Harold Busby, le, 3; Ron Copeland, le, 7; Rick Perttula, rg, 6; and Rick Purdy, fb, 9. Defense—Larry Agajanian, lt, 10; Dick Davidson, rc, 7; Hal Griffin, re, 7; Kim Griffith, lc, 9; and Mark Gustafson, lh, 10. The loss of Purdy, 11th greatest ground-gainer in UCLA history and All-Coasters Agajanian and Gustafson are obviously of major importance. Also, the speed of split ends Copeland and Busby is no longer a threat; and the defensive quickness of Rhodes Scholar Griffin will have to be replaced.

PROMISING SOPHOMORES—Dave Dalby, 6-3, 201-pound center from Whittier, has the dimensions to become a key man in the Bruin offense. Bob Pifferini, 6-3, 195-pound linebacker, is a fine all-round athlete but

THE 1969 BRUINS

(Continued)

has very tough competition in veteran Don Widmer. Jim Berg, 6-1, 200-pound defensive end from Orange, may get some opportunities this Fall, as will Mike Pavich, 6-foot, 211-pound defensive tackle from Honolulu. Greg Pearman, 6-5, 210-pound defensive tackle from Pico-Rivera, may make his presence known as the season goes along. Ron Carver, 5-9, 160, from Carson, showed promise in the Spring, but needs seasoning.

OFFENSE—UCLA will continue to feature a wide-open T-Formation, stressing a great deal of movement. The formation will always have a split end and is adaptable to setting the backs wide in slot or flanker positions.

PASSING—Emphasis again may be on the passing game at times with Jim Nader, UCLA's top passer, returning for his junior season. Nader last Fall completed 72 out of 163 passes for 1008 yards and seven touchdowns. He showed improvement in the Spring, but he must fight off the threat from Dennis Dummit, a fine thrower from Long Beach City College, who won All-America JC honors in 1968, mainly on the basis of his throwing arm. In two years Dummit completed 220 out of 374 passes and threw for 30 touchdowns. Bill Bolden, who has had two seasons of injury problems, will work at both quarterback and left half as Fall practice begins. He completed 26 out of 57 tosses for 395 yards and three scores last season although his main forte is the ground game.

RUNNING—Much attention will be focused on left Half Greg Jones, UCLA's top ball-carrier last year, and Fullback Mickey Cureton, UCLA's No. 2 rusher statistically. This exciting pair of runners, who can go "all the way" any time they get their hands on the ball, will pose a big threat this Fall. In addition, George Farmer, the big, fast track and basketball performer, can run with authority on the reverse play.

DEFENSE—The Bruins will go with the straight two-platoon system; no one will go "both ways." Again, most of the experience is up front, where size and quickness could give UCLA a top defensive unit. Reese, at right tackle, is a superb athlete and competitor while Ballou may be the best linebacker UCLA has had since Donn Moomaw earned All-America honors back in 1950 and 1952. Inexperience among much of the deep backs makes come-through performances imperative for a good Bruin season.

OFFENSIVE LINE—Considerable improvement was in evidence during Spring Practice in front of the offensive ball-movers. Right Tackle Gordon Boserman again anchors the forward wall with right End Mike Garratt being another standout, both in blocking and pass-catching. Return of Ron Tretter, after a pre-season knee injury last Fall, strengthens the line; and general improvement this season would give the Bruins a big chance to come up with surprises.

THE OUTLOOK—Coach Prothro says, "Our team should be quite a bit better this year. If I didn't still remember last year, I would be quite confident now. We have several football players with real ability and the experience to lead now."

TOMMY PROTHRO
UCLA Head Football Coach

THE YEAR 1969 marks Tommy Prothro's 15th season as one of the most successful and highly-regarded head football coaches in the country, his fifth at UCLA following 10 at Oregon State.

In the past four years, his Bruins have compiled a solid 27-win, 12-loss and 2-tie record for a .683 winning percentage against the toughest competition in the country. A breakdown of his Bruin record reveals a Pacific-8 Conference mark of 13-6-1 and an intersectional mark of 14-6-1. And for three (1965-66-67) of his four UCLA years, his teams have been ranked in the top of the wire service polls at season's end.

Prothro is one of only five coaches ever to have more than one Heisman Trophy winner. His recipients of this coveted award presented annually to the "outstanding college football player in the United States" were Terry Baker, Oregon State, in 1962 and Gary Beban, UCLA, in 1967.

He's the only coach ever to bring two different teams into the Rose Bowl in successive years, as he directed Oregon State to Pasadena in 1965 and UCLA in 1966. In the latter New Year's Day classic, the Bruins scored a stunning 14-12 upset victory over top-ranked Michigan State for UCLA's first Rose Bowl triumph.

Prior to his return to UCLA, Prothro vaulted Oregon State to football prominence with a 10-year record (1955-64) of 63-37-2, the finest compiled by a West Coast coach over that decade.

Tommy's 14-year head coaching record is now 90-49-4 for a .643 winning percentage against major competition. Worth noting: His teams have either won or been runner-up in conference play in seven of nine years, including three titles (1956-57-64) at Oregon State and one (1965) at UCLA and one second-place finish (1955) at OSU and two (1966-67) at Westwood. In the five other seasons (1959-63), his Beavers played an independent schedule.

Prothro was accorded the greatest honor that can come to a coach when he was voted 1965 "Coach of the Year" by his fellow members of the American Football Coaches Association.

Before going to OSU, Tommy was backfield coach under the late Red Sanders at UCLA for six winning seasons (1949-54) during which the Bruins compiled a noteworthy 42-12-1 record, highlighted by the undefeated and national championship team of 1954. Prothro developed such all-time great Bruin backs as All-Americans Paul Cameron and Bob Davenport; and also Bill Stits, Primo Villanueva, Jim Decker, to name a few.

A native of Memphis, Tenn., born July 20, 1920, Tommy was a versatile young athlete and competed in football, baseball, basketball and track for Central High there from 1934-36. He also participated in those

Prothro was then a star blocking back under Wallace Wade at Duke University. He won the coveted Jacobs Award as the best blocker in the East. He also

competed in baseball and lacrosse at Duke from 1938 through '42 when he graduated.

Shortly before entering the service in World War II he was a line coach at Western Kentucky in 1942. He then served as an officer in the U.S. Navy for three years. In 1946, he coached the Vanderbilt "B" squad and in 1947 became backfield coach there under Sanders. Prothro came to UCLA with Sanders in 1949.

At Oregon State, Prothro produced such consensus All-Americans as John Witte (1956), Ted Bates (1958), Terry Baker (1962) and Vern Burke (1963). And at UCLA he has had three All-Americans, to date, Mel Farr (1966) and Gary Beban and Don Manning in 1967.

A brilliant football thinker and strategist, Tommy has coached the single wing and various brands of the "T" and "I" formations. His attack at UCLA is of the wide-open variety emphasizing a great deal of movement and utilizing a moving quarterback.

Tommy is the son of former major league baseball player and manager Thompson "Doc" Prothro, and the nephew of Gen. Clifton B. Cates, former commandant of U.S. Marine Corps. His charming wife is the former Shirley Seagle, of Memphis, Tenn. They have a daughter Ann, now Mrs. Richard Wilson of Evanston, Ill.

JIM CAMP
(North Carolina '47)
Assistant Varsity Coach

Jim Camp is in his third year on the UCLA staff. He coaches the quarterbacks, pass receivers and ball carriers—and also handles the offensive planning for the Bruins.

He came to Westwood in 1967 with fine coaching credentials. He was head coach at George Washington University in Washington, D. C., for six seasons (1961-66) before joining Prothro & Co. He was voted the Southern Conference "Coach-of-the-Year" following the '66 campaign.

This season, incidentally, is his 21st year of coaching on the collegiate level. His career includes four years (1949-52) under Carl Snavely at University of North Carolina, his alma mater; one year (1953) under Murray Warmath at Mississippi State and seven seasons (1954-60) under Warmath at Minnesota before becoming the headman at George Washington.

Camp starred in football and basketball at Schoolfield (Va.) High before entering Randolph-Macon Col-

lege in Ashland, Va., where he competed in both his prep sports for one year (1942) before enlisting in the Marine Corps.

After duty in the Pacific, he returned in 1944 to North Carolina as a member of a Marine V-12 unit. Because his first year of football there was as a serviceman, it didn't count against his eligibility and so he played four seasons (1944-47) for the Tar Heels.

In 1946, as a wingback, he led the old Southern Conference in rushing with 8.5-yd. average per carry. He played in the 1947 Sugar Bowl and as a senior that season, he won the coveted Patterson Medal awarded annually at UNC to the top student-athlete for scholarship, leadership and athletics.

Camp graduated from North Carolina in 1947 with a B.A. degree in Physical Education and received his Master of Arts degree in P.E. there in 1948. He played one year of professional football with the Brooklyn Dodgers of the old All-American Conference before starting his coaching career.

Jim is wed to the former Carol Cantrell and they have four children, two sons, Carey, 16, and Chip (James, Jr.), 7, and two daughters, Carver, 11, and Cantrell, 9.

BOBB McKITTRICK
(Oregon State '58)
Assistant Varsity Coach

Bobb McKittrick has now been associated with Tommy Prothro for 12 years, three (1955-57) as a player at Oregon State, four (1961-64) as an assistant coach at OSU and is in his fifth season as a top aide at UCLA. He handles the defensive planning for the Bruins.

Bobb graduated from Oregon State in 1958 as an honor student and immediately entered active duty with the U.S. Marine Corps as a commissioned officer.

Upon completion of his three-year tour of duty, he had to make a choice between accepting an assistant professorship at his alma mater, joining Prothro's staff, or accepting a position on the Iowa State football coaching staff under Clay Stapleton who was his line coach at OSU. Happily, he joined the Beaver staff where he coached four years before moving to UCLA in 1965.

As a player, he was a guard — and a good one — on Prothro's 1955-56-57 teams. Bobb played on two PCC championship teams as a junior and senior and in the 1957 Rose Bowl game. This 34-year-old native Oregonian prepped at Baker High where he lettered two years in football.

He and his wife, Teckla, have two sons, Mike, 10, and Ladd, 8.

JOHN JARDINE
(Purdue '58)
Assistant Varsity Coach

John Jardine is now in his fifth year on the UCLA football staff. He coaches the offensive line.

John came to UCLA in 1965 after serving as an assistant line coach at Purdue for one year. He and his brother, Leonard, joined the Purdue staff after distinguishing themselves in Chicago prep circles. John compiled a sparkling 46-6-1 record in his five years at Fenwick High, a member of the rugged Chicago Catholic League. His 1963 team won the Chicago city championship, in addition to the league title. His '59 team also won the league crown.

Jardine launched his coaching, following graduation from Purdue in 1958, as the first head coach of the newly-founded Lafayette Central Catholic High, across the river from Purdue in Lafayette, Ind. He moved to Fenwick the next year.

Although weighing only 186 pounds, John was a good, tough guard for the Boilermakers in 1955-56-57 and was a starter in both his junior and senior years. The 34-year-old John prepped at St. George High in Evanston, Ill., where he lettered in football, basketball and swimming.

John is married to the former Janice Ensign and they have four children, Dan, 9; Jennifer, 7; John, 5; and Jill, 3.

LARRY WEAVER
(Adams State '61)
Assistant Varsity Coach

Lawrence W. "Larry" Weaver, defensive backfield coach at University of Arizona the past two years (1967-68), joined the UCLA staff last January. He handles the defensive secondary for the Bruins.

Prior to coaching at Arizona, Weaver served as a top backfield assistant at North Dakota State the previous three years (1964-65-66).

Weaver is a graduate of Adams State College in Colorado. A native of Southern California, Larry prepped at Anaheim (Calif.) High School where he lettered in football, baseball and track. He then attended Fullerton (Calif.) Junior College before transferring to Adams State.

The 35-year-old Weaver and his wife, Evelyn, are the parents of five children, three boys and two girls. The Weavers reside in Hacienda Heights in Whittier. Larry, incidentally, holds a Master of Arts degree in English and Guidance Counselling.

JERRY LONG
(Oregon State '50)
Assistant Varsity Coach

This is Jerry Long's ninth year as an assistant coach under Tommy Prothro, four (1961-64) at Oregon State and now five at UCLA. In all, this is his 20th year of coaching football. He coaches the Bruins' defensive line.

Prior to returning to Oregon State, his alma mater, as a line coach in 1961, Long served as the top aide and line coach at Willamette University in Salem, Ore., for six years (1955-60). Following graduation from OSU in 1950, Jerry began his coaching career with five years in Oregon high school ranks, Brownsville in 1950, Astoria in '51, Rainier in 1952 and '53 and Tigard in 1954.

After a three-year stint in the Navy, Jerry entered Oregon State in 1946 and lettered three years as a guard. The 40-year-old Jerry prepped at Franklin High in Portland, Ore., where he starred in football and baseball, winning All-City grid honors.

This native Oregonian is married to the former Dorothy Jean Larson and they have three children, Karen, 13, and twins Randall and Diane, 11.

TONY KOPAY
(Washington '62)
Assistant Varsity Coach

This is Tony Kopay's fifth year on the UCLA football staff. After two seasons (1965-66) as head frosh coach, he is now in his third year of varsity coaching. He coaches the offensive line this season along with John Jardine.

Tony came to UCLA following two successful years as head coach at Crespi High in Encino, Calif. He turned out a Camino Real League Championship football team there in 1964.

He prepped at Notre Dame High in Sherman Oaks Calif. He then attended Pierce JC where he won All-Western States Conference honors at halfback for two seasons (1958-59). He then transferred to University of Washington and played halfback and fullback in 1960 and '61.

Following graduation, Tony was a student assistant coach at Washington, serving as backfield coach for the frosh. The next year he moved back to Southern California and began his coaching career at Crespi High. He's the older brother of former Washington and present Detroit Lions' halfback Dave Kopay.

The 29-year-old Tony is married to the former Maryon Vusich. They became the proud parents of a daughter, Kristine Marie, last May.

LEW STUECK
(UCLA '57)
Assistant Varsity Coach

Lew Stueck is in his seventh year on the UCLA football staff, his fifth with Tommy Prothro following two years under Bill Barnes. He served as frosh coach under Barnes and now works with the defensive linebackers and also serves as administrative assistant to Prothro.

As Brubabe mentor, Stueck posted an impressive two-year record of 5-1-1, highlighted by two straight victories over the USC Frosh. Prior to coming to UCLA (as a coach) he was the head coach at Los Angeles' Loyola High for five years where he compiled a fine 33-12-3 record. His 1960-61-62 teams won the Catholic League crowns and the '62 team went on to take the Southern California CIF large schools prep title.

The 34-year-old-Lew prepped at Loyola High, where he later coached and won three football letters, receiving All-Catholic League honors at halfback in 1952.

After attending Washington State for two years, where he lettered in both frosh and varsity football, he transferred to UCLA. Following graduation in 1957, he coached one year at St. Anthony's High in Long Beach, Calif., before moving to Loyola.

Stueck is married to the former Donna Friese and they have three daughters, Julie, 11; Monica, 9; and Kristina, 7. His wife and two sisters, Mary Lou and Lilyan, also attended UCLA.

EARNEL DURDEN
(Oregon State '59)
Assistant Varsity Coach

Earnel Durden, former All-American halfback at Oregon State under Tommy Prothro, was signed to the UCLA staff last December. He'll coach the Bruins' offensive backs and pass receivers on their blocking.

Durden comes to Westwood from Cal State of Long Beach, Calif., where he was a top aide for one year (1968). Prior to that he first coached at Compton (Calif.) High for five years (1961-65) and then at Compton Junior College for two years (1966-67). He has actually coached and taught on the junior high school, high school, JC and college levels. He holds a Master's degree in Physical Education.

Earnel was an All-City halfback at Los Angeles' Manual Arts High where he starred on the 1954 city championship team. He scored 24 touchdowns by rushing one season, a record which still stands at Manual Arts.

He then went to Oregon State where he starred at wingback for three years (1956-57-58). He won both

All-America acclaim and played on the 1957 Rose Bowl game. He was a standout performer on OSU's back-to-back Pacific Coast Conference title teams (1956 and '57). He still holds the Beavers' season record for the highest rushing average per play, 7.2 yards in 1956.

Durden, 31, is wed to the former June Pecot and they have three sons, Michael, 9; Kevin, 6, and Allan, 5. They live in Los Angeles.

NORMAN DOW
(UCLA '68)
Head Freshman Coach

Norman Dow is in his second season in charge of the UCLA freshman football team. Last season he directed his charges to a perfect 4-0-0 record, the first perfect slate for the Brubabes since 1955.

Dow, 24, is best remembered for his clutch performance in the 1966 USC game. Subbing for the injured Gary Beban, Norm engineered touchdown drives of 53 and 42 yards while gaining 82 yards himself and leading UCLA to a surprising 14-7 upset of the Trojans. He also was a valuable Bruin QB in 1964 and '65.

Norm attended North Torrance (Calif.) High School and played football and baseball. He was voted Most Valuable Player in both sports while maintaining a 3.6 scholastic average. In football, Dow made first team All-Bay League and was second team All-Southern California CIF as a senior in 1962.

Norm is single and lists his hobbies as skiing, cards, and chess. In addition, he served previously as house adviser to Hydra house in Weyburn Hall.

GAME NO. 1

This is one of the really tough openers of 1969, a battle between two always-potent Pac-8 rivals. Oregon State lost some good ones off 1968 offense, including All-America fullback Bill Enyart and brilliant quarterback Steve Preece, but don't feel sorry for Beaver boss Dee Andros. He's posted 7-3, 7-2-1 and 7-3 records the past three seasons, he's never had a loser in five years at Corvallis, and he's a solid bet to field another conference contender in '69.

After all, Andros has plenty of good ones returning. Included are 29 holdover lettermen, 18 capable "redshirts", a host of promising sophomores and a defensive unit that might even be stronger than a year ago.

Defensively, OSU is especially strong in the secondary, with such standouts back as Don Whitney, Mark Waletich, Mel Easley and Rick Harrington. Whitney, in fact, is rated an All-America candidate as are defensive guard Bill Nelson (6-7, 260) and defensive tackle Jess Lewis (6-1, 230). Lewis didn't play last year because of representing the U.S.A. as an Olympic Games wrestler. Other top performers are senior linebackers Mike Groff and Wally Johnson.

The Beavers have one of the nation's most explosive backs in Billy Main, a 200-lb. speedster who starred at wingback the past two seasons. Last year, he was the Pac-8's fourth leading rusher with 634 yards and a 5.1 average. He scored 14 touchdowns. Last spring, he was moved to fullback to replace Enyart and Billy looked like he had always performed there.

Finding a QB to take over for Preece, of course, is a tough task. Even after spring practice, this key spot is still wide open. The top candidates, perhaps, are Gary Burton, No. 2 QB last year, and Steve Endicott, a classy soph.

Since renewing their rivalry two years ago, the Bruins have yet to beat the Beavers, tying 16-16 in 1967 Coliseum game and losing 45-21 at Corvallis last fall.

Enrollment: 8,500

Widest Margin of Victory for UCLA: 56 points (63-7 in 1968)
Widest Margin of Victory for Pittsburgh: 21 Points (27-6 in 1958)

GAME NO. 2

Overall, the 1969 Pittsburgh football picture can be summed up this way. There is experience and potential but Pitt fans and opponents heard the same story last year. "Confidence is a plant of slow growth," new Pitt coach Carl DePasqua warns, "and I'm not going to say anything about our team until we prove we deserve it.

"But I will promise you this. Pitt will know how to block and tackle. We're going to return to Western Pennsylvania style football—tough, hard-nosed, fundamental football."

DePasqua, a star Pitt back from 1946-49, may be just the man to return his alma mater to football prominence. He has impressive coaching credentials, having assisted at Pitt for eight years (1958-65) before going to Waynesburg (Pa.) College where he produced two of the country's finest small college teams which lost only one game while winning 17 in 1966 and '67. Last year, he served as defensive line coach for the professional Pittsburgh Steelers.

Although the past three years brought few football wins to Pitt—3 wins, 27 losses, to be exact—it did bring a number of recruiting victories, so Pitt will field one of the biggest and strongest teams in years. It also will be a veteran squad. A total of 37 lettermen return, including 18 of 22 regulars from last season, 10 on defense and eight on offense.

Anchoring a potent defense will be linebacker Ralph Cindrich (6-1, 220), who is tabbed for super stardom. He made 17 tackles against UCLA before injuring his ankle and being sidelined for the remainder of the season. Flanking Cindrich at LB are two other veteran stars, Geoff Brown (6-3, 217) and Dave McGrath (6-2, 227).

Offensively, the Panthers have experience, size and speed in the backfield, headed by tailback Dennis Ferris (6-1, 197), who gained 472 yards last year; fullback Tony Esposito (6-1, 226) and wingback Joe McCain (6-0, 190), all of whom started last year.

GAME NO. 3

One thing for sure, things can't be any worse in 1969 for Wisconsin coach John Coatta than they have been in his first two seasons at the Badger football helm. After all, he's yet to win a game, having posted a dismal 0-19-1 two-year record.

But Coatta isn't discouraged. In assessing the '69 campaign, he commented, "We are going to be bigger, stronger and quicker physically than last year. We are going to have better passing and better receiving, and that's the big thing."

Also expected to help the Badgers back to football respectability is a new and dynamic athletic director by the name of Elroy "Crazy Legs" Hirsch, a former Wisconsin All-American who went on to all-pro greatness.

Coatta is counting on two exceptionally gifted soph quarterbacks, Neil Groff (6-3, 195) and Rudy Steiner (6-2, 217), who are battling senior Lewis Ritcherson for the starting spot. Both Groff and Steiner are fine athletes, possessed with poise, having good throwing arms and can run the ball when necessary to do so.

And the QB's will have some talented receivers to throw to, headed by veteran ends Mel Reddick (6-1, 173) and Jim Mearlon (6-3, 205), who caught 34 and 9 passes, respectively, last year. In fact, Reddick has now caught 76 passes for 899 yards and three TD's the past two years. Goatta also is mighty high on a new wingman, Al Hannah (6-3, 205), whom he expects to blossom into one of Wisconsin's all-time finest receivers.

Defensively, top Badger returnees are tackle Jim DeLisle (6-5, 235), who recovered four fumbles last year, and halfback Nate Butler (6-0, 177), who set a school record of returning 21 kickoffs for 501 yards.

In all, Wisconsin has 21 veterans returning, nine on offense and 11 on defense, and a host of promising sophs.

This is UCLA's first game with a Big Ten foe since 1966 Rose Bowl victory over Michigan State.

UCLA All-Time Record against Northwestern: W-0, L-3, T-0
Widest Margin of Victory for Northwestern: 19 Points (19-0 in 1948 and 19-0 in 1931)

GAME NO. 4

UCLA invades Big Ten country in back-to-back games this fall, first Wisconsin Sept. 27 and then Northwestern Oct. 4. Like the Badgers (0-10), the Wildcats (1-9) figures to be much tougher in 1969 For sure, the Bruins won't be taking either of these Big Ten teams lightly, a year can make a lot of difference. One year, a doormat; the next, a contender. It happens every fall. It could happen in Madison and Evanston in '69.

Northwestern coach Alex Agase is counting on 23 talented lettermen to be augmented by "graduates" from one of the Wildcats' finest frosh teams in recent years. In other words, Agase is looking for a gridiron transformation from pussy cats to real wildcats.

The NW passing attack returns intact, with starting quarterback Dave Shelbourne (6-2, 190), a junior, and his five top receivers of last season all back. Shelbourne completed 105 of 251 passes for 1,358 yards and seven touchdowns. The two top receivers were last year's starting ends, Bruce Hubbard (6-6, 205), who caught 33 passes for 551 yards, and Pat Harrington (6-4, 218), 17 for 163 yards, both seniors this fall.

Plus Agase has two brilliant soph receivers coming up in flanker back Barry Pearson (5-11, 177) and split end Jerry Brown (5-11, 165).

The Wildcats' greatest strength appears to be at linebackers, where all four starters are back. They are seniors Don Ross (5-10, 214), Mike Hudson (6-0, 212) and Ray Forsthoffer (6-0, 212) along with junior Joel Hall (5-11, 204). Also back to bolster the defense are starting tackles Bill Galler (6-2, 240), a senior, and John Rodman (6-3, 240), a junior.

Lone returning starters in the offensive line are Hubbard and Harrington at ends and junior Mike Sikich (6-2, 225) at guard, leaving the interior line as one of the key rebuilding areas.

UCLA has never defeated Northwestern in three previous meetings—and would like to put a stop to this winless situation in their first meeting in 21 years.

Widest Margin of Victory for WSU: 38 points (38-0 in 1928)

GAME NO. 5

Washington State wound up its first season under coach Jim Sweeney last November with two impressive victories, 46-0 over San Jose State and 24-0 over arch-rival Washington. The '69 Cougars figure to improve considerably on their 3-6-1 over-all record of 1968 off the aforementioned late-season triumphs.

Besides 25 letterman returning from last year and two from 1967, Sweeney has a bumper crop of sophomores coming up, and he can add a litle experience from some redshirts off the '68 squad. The Cougars had four promising JC transfers on the spring roster. They figure to have more this fall.

The Cougars return considerably more strength on defense than they do on offense. Bringing the two into balance and then raising the combined performance to a winning level by Pacific-8 standards is the task facing Sweeney & Co. at Pullman.

Topping the defensive returnees is senior Dave Crema (6-3, 195), who many rate as, possibly, the finest end on defense in the country. On the other side is another talented senior wingman, J. D. Smith (6-3, 200). Two more seniors, Gary Branson (6-3, 218) and Dan White (6-2, 240), are solid returning tackles. Both guards, senior Hank Bendix (6-1, 210) and senior Don Engler (5-11, 200) are back, along with starting linebacker Terry Durst (6-3, 220), a junior, and 1967 regular Mel Burrell (6-0, 205), who was out last year with knee surgery.

Offensively, WSU must replace practically its entire line and a good part of its backfield. Rich Olson is the only quarterback with varsity playing experience, but he'll be pushed to stay ahead of redshirt Jack Wigmore and sophs Chuck Hawthorne and Gary Bergan. Hawthorne (5-9, 165) really impressed last spring. He's small but he's very competitive and appears very productive under fire.

Widest Margin of Victory for California: 35 Points (35-0 in 1950)

GAME NO. 6

California has regained its winning football ways under the astute leadership of coach Ray Willsey. Last year, the Bears compiled a 7-3-1 record, their first winning season since 1958.

Willsey, now in his sixth year at Cal, expects to field another winner this fall. He has 26 lettermen returning, including eight starters on offense and five on defense.

Back to lead the attack is senior quarterback Randy Humphries (6-3, 210), Cal's starter since midway in his sophomore year. A fine clutch player, he threw for 1,247 yards last year, completing 47.3% of his passes for six touchdowns. Giving solid depth to this key spot are two other capable performers, squadman Dave Penhall (6-1, 190) and JC transfer Steve Curtis (5-11, 195), both of whom impressed last spring.

Cal has its two top 1968 rushers back for action, senior tailback Gary Fowler (6-1, 195), who netted 655 yards for a 4.1 average and nine TD's, and junior tailback Bob Darby (6-0, 185), 386 yards on 117 carries for a 3.3 average and three TD's. However, Willsey has moved Fowler to fullback so he can have both his best runners in the same backfield.

The Bears also have three other outstanding tailback or wingback candidates in All-State JC transfer Stan Murphy (6-0, 175), junior Jim Smith (5-9, 170) and soph Steve Mack (6-0, 185). Smith is Cal's leading sprinter and averaged 5.1 yards as a soph reserve last year. Mack paced the frosh in rushing with 4.9 average.

Defensively, the Bears are led by two All-Coast returnees, end Irby Augustine (6-1, 210), who has been moved to linebacker, and safetyman Ken Wiedemann (6-0, 180). Replacing All-America guard Ed White will be a super soph named O. Z. White (6-2, 230), who combines quickness and strength.

Last year, Cal ended a four-year losing streak to UCLA and, of course, would like nothing better than to make it two in a row over Brother Bruin in this greatest of all intra-university rivalries.

Enrollment: 11,068

Returning Lettermen: 23
UCLA All-Time Record against Stanford: W-21, L-17, T-1
Widest Margin of Victory for UCLA: 72 points (72-0 in 1954)
Widest Margin of Victory for Stanford: 82 Points (82-0 in 1925)

GAME NO. 7

This may be Stanford's year in Pacific-8 football. Coach John Ralston has 23 lettermen returning from last year's third-place (6-3-1) Pac-8 contingent, plus a group of talented sophomores ready to fill the gaps left by graduating seniors.

The Indians believe they have one of the most dangerous offenses in the country this year, and the facts seem to back up that assertion. Quarterback Jim Plunkett (6-3, 205), who turned Stanford into a potent passing threat last fall, will once again be at the controls. A super soph, he ranked among the nation's top 10 in both total offense and passing last year. He completed 152 of 268 passes for 14 TD's and 2,156 yards. He figures to be better than ever as a junior.

The Tribe anticipates no problems at running back or fullback where the team's two leading rushers from '68—Howie Williams (6-0, 196) and Bubba Brown (6-0, 184)—return, along with soph standouts Hillary Schockley (6-1, 212) and Jackie Brown (6-2, 200). Tight end Bob Moore (6-3, 209) and split end Jack Lasater (6-2, 205) are back, while '67 starter Jim Cross (6-0, 185), speedy JC transfer Randy Vataha (5-10, 182) and rapidly-improving junior Demea Washington (5-11, 179) vie for the flanker spot left vacant by the departure of All-American Gene Washington.

The offensive line will be anchored by junior center John Sande (6-2, 226), rated a strong All-America candidate this fall. While most of the defensive line has graduated, the linebackers and defensive backs return almost completely intacted. A-A candidate Don Parish (6-2, 215) is back at one linebacking position, and that alone makes Stanford's defense a tough one.

The Bruins have won six in a row over the Indians but have barely scraped by the last two years, 21-16 in 1967 and 20-17 last season, and this traditional conference battle figures to be equally tight this fall.

Widest Margin of Victory for UCLA: 48 Points (48-0 in 1967)
Widest Margin of Victory for Washington: 41 Points (41-0 in 1940)

GAME NO. 8

Like UCLA, Washington suffered through a losing (3-5-2) season in '68. Like the Bruins, the Huskies are tabbed to bounce back this year to their perennial pigskin position as one of the potent powers of the Pac-8.

Jim Owens, who has given up his athletic director's duties to concentrate solely on Husky football, is confident that either junior Gene Willis (6-0, 195) or soph Steve Hanzlik (6-3, 190) will do a job at the key quarterback spot. They both seemed to profit from special spring instruction given by pro star Babe Parilli.

The Huskies appear to have outstanding running backs in All-America halfback candidate Harvey Blanks (5-7, 185), fullback Bo Cornell (6-1, 200) and JC transfer Joe Bell (6-0, 205). Blanks averaged 5.1 yards on 99 carries last year. Cornell was a hard-hitting FB starter until he was injured late in season. Bell was a super runner, averaging 7 yards a carry, at San Francisco CC last year.

"We're certainly encouraged about our offensive possibilities this year," Owens said. "We're going to have more size in our offensive line than we've had in a number of years. That will give us better pass protection as well as a better running game."

Owens wasn't kidding. Up front is the following offensive beef—Ernie Janet (6-4, 230), Angio Rios (6-1, 238) and Ken Ballenger (6-0, 224) at tackles; Tom Nelson (6-6, 247), Rick Keeley (6-5, 265), Mike Wilds (6-3, 255) and Lane Ronnebaum (6-0, 242) at guards; Bruce Jarvis (6-7, 240) at center; and Ace Bulger (6-4, 221) at tight end.

As usual, the Huskies will be tough defensively, topped by A-A candidate Rick Sharp (6-4, 240) at tackle.

This is UCLA's tightest conference rivalry. The Bruins lead by a narrow 16-15-1 series edge.

Widest Margin of Victory for Oregon: 27 Points (27-0 in 1929)

GAME NO. 9

"We'll have an exciting, explosive team on offense," Oregon coach Jerry Frei said. "However, I'm still concerned about our defensive unit." The Webfoots have made steady progress under Frei the past two seasons and could be a real surprise in the '69 Pac-8 race.

Tom Blanchard (6-0, 190), the 1967 starter who missed last year because of a knee operation, is the front-running quarterback candidate, although seniors John Harrington (5-11, 188) and Alan Pitcaithey (6-3, 220) also looked sharp in spring practice.

And the Ducks have some really talented runners returning, headed by junior fullbacks Greg Marshall (6-0, 203) and Rocky Pamplin (6-2, 210) and senior tailback Stan Hearn (5-10, 195). But the best might be soph TB Davey Jones (6-0, 190), who paced the '68 frosh by averaging nearly five yards a carry.

Oregon is especially deep in pass receivers, including speedy junior Bob Newland (6-2, 190), a split end, and senior Andy Mauer (6-3, 246), a tight end. However, Frei is really high on soph slotback Bob Moore (6-2, 210), who caught 19 passes for the '68 frosh team.

But Frei may run into problems in the offensive line where only one starter returns and also in the interior defensive line where graduation took the toll of three starters. Plus, the Ducks lost both starting linebackers but have two classy performers on hand here in junior Dave Smith (6-2, 235), who sat out last year with a knee operation, and super soph Tom Graham (6-3, 224).

This game marks the renewal of the Oregon-UCLA football rivalry for the first time since the break-up of the Pacific Coast Conference in 1958.

GAME NO. 10

Don't feel sorry for USC's defending Pacific-8 champions. Coach John McKay may have lost the great backfield talents of halfback O. J. Simpson and quarterback Steve Sogge, but the Trojans are still loaded with top personnel and are again rated the conference team to beat.

For prime example, McKay has nine defensive starters back, including such likely "All" candidates as end Jimmy Gunn (6-1, 210), tackles Al Cowlings (6-5, 245) and Tony Terry (6-3, 240) and halfback Sandy Durko (6-1, 176).

"Defensively, we should be stronger," said McKay, "but the loss of O. J. and Sogge has to be our major area of concern. Really, we lost our entire backfield (also fullback Dan Scott and flanker Jim Lawrence) along with two fine tight ends, Bob Klein and Bob Miller."

In a truly spectacular spring intra-squad game, soph Jimmy Jones (6-1, 189) and JC transfer Jim Fassell (6-2, 191) really impressed at QB, with Jones hitting on 19 of 32 passes for 392 yards and five touchdowns and Fassell on 9 of 25 for 181 yards and three TD's. And ready to challenge them this fall will be senior Mike Holmgren (6-4, 210).

But returning starter Bob Chandler at flanker back was positively fantastic in the spring game, catching 15 passes for 315 yards and five TD's. He looms as the big USC star of '69, a standout A-A candidate.

Individual duels loom between senior letterman Humphrey Covington (6-0, 190) and JV returnee Charlie Evans (6-1, 218) at fullback and JC transfer Clarence Davis (5-11, 194) and squadman Mike Berry (5-10, 195) at tailback. They all looked good last spring.

Under Tommy Prothro UCLA has split four meetings with McKay & Co., and the Bruins hope to go ahead 3-2 come Nov. 22.

DENNIS CHARLES ALUMBAUGH—Senior; Mathematics major. Started all 10 games and played 240 minutes at offensive guard last year; was a non-letterman and played only briefly at same position as soph in 1967; and played on 1966 frosh team. Named to 1965 All-Northern California third team; also played on North team in 1966 Shrine prep classic in Los Angeles. Served as football and basketball captain.

ZENON ANDRUSYSHYN—Senior; Physical Education major. Has been UCLA's talented kicking specialist for past two years. This powerful Canadian, who place kicks soccer style, needs only to become more consistent in both his punting and place kicking to reach true greatness. Has tremendous leg drive to give him exceptional range. Has kicked 65-yard field goals in practice but his longest in a game is 52 yards, a school record set in 1967 Oregon State game. Also holds UCLA career record of 13 FG's, 11 in 1967 and 2 last year. Also set Bruin one-game conversion record of 9 in 1968 Pittsburgh game. Another game record is his 3 field goals against Oregon State in 1967. He goes into this season as the Bruins' No. 11 scorer of all time with 89 points, 50 by conversion and 39 by 13 field goals. Based on number of punts, he now rates No. 7 among UCLA punters. He has punted 90 times for 3,829 yards and a 42.50 average. As a soph in 1967, he was No. 1 NCAA punter with a 44.17 average on 37 punts and was NCAA's No. 3 kick scorer with 64 points. Mickey missed a lot of Spring Practice because of a pulled hamstring muscle. It is hoped he is over the assorted injuries which have plagued him since 1967 Shrine prep classic in Los Angeles when he suffered a knee injury. He has unlimited potential. He's a fine runner and blocker. His excellent speed, tremendous balance and quickness make him an elusive target for tacklers. He wound up last year with a sensational performance against USC, scoring both the Bruin touchdowns on 1- and 9-yd. bursts. He set up one TD against the Trojans with a 68-yd. punt return. City College, transferred to UCLA last Spring and made remarkable progress in the off-season drills. In fact, he established himself as the No. 1 aspirant for starting honors. He impressed the coaching staff with his poise and intelligence as well as his passing and running. Not much of a runner at LBCC he showed better speed and more quickness than expected. He was All-Metropolitan Conference for past two years and was also picked as the conference's 1968 "Player-of-the-Year." Lettered in football under coach Skip Rowland, former UCLA halfback star, at Wilson Hi in Long Beach. Won All-Southern California CIF and All-City grid honors. Served as football captain.

The coaching staff feels this is the year Farmer fully realizes his potential. He's, perhaps, the finest and most versatile athlete now at UCLA. Besides his gridiron prowess, he also was a reserve member of UCLA's 1969 NCAA basketball champions and saw limited action at forward—and, as a soph, he ran the sprints (9.8 and 22.0) and high hurdles (15.0) for the Bruins. In other words, the 6-4, 210-lb. Farmer has amazing speed for his size. A fine receiver, he's a tall and swift target for Bruin quarterbacks. He's also dangerous on the wingback reverse. Last year, he caught 8 passes for 92 yards and one touchdown, and it was on the TD reception that he broke his angle while straning to stay inbounds in the end zone. Rated one of the most steady players on squad and, as a senior, he figures to be a team leader. Not only a talented pass receiver with good hands, he also is an exceptional blocker. He's an especially tough runner after he catches the ball due to his ability and experience as a running back. Last year, he tied with Ron Copeland as the Bruins' top receiver with 21 catches each. Also is a versatile trackman and oftimes during the summer takes part in decathlon competition. Lettered in football under coach Dean Johnson at Taft (Calif.) He's also a fine pass receiver, blocker, punter and holds the ball for both place kicks and conversions. City College in Fall of 1967 where he starred at QB for one year (1966). Stepped in when Bill Bolden was injured in first game and did a most commendable job during the entire season. In fact, in first game with Pittsburgh tied a UCLA record by passing for four touchdowns. Led team in passing with 72 completions of 163 attempts for 1,008 yards and 7 TD's. In one year, he has moved into the No. 10 spot on the all-time Bruin passing list (based on number of completions). However, in rushing he wound up with minus 35 yards on 68 carries. Even so he was the team's total offense leader. He showed marked improvement in Spring Practice not only in his running but also his passing. Figures to battle Dennis Dummit for starting honors. Won All-Western States Conference second team honors at QB on Pasadena CC's 1966 Junior Rose Bowl team. Lettered in football under coach Jack Friedman at St. Francis Hi in La Canada, Calif.; also lettered in baseball. Won All-Santa Fe League grid honors at QB. Served as football captain. Incidentally, he is the nephew of actor Ben Gazzara and actress Janice Rule.

Lettered in football under coach John McGinnis at Romona Hi in Riverside, Calif.; also lettered in wrestling and track. Won All-Citrus Belt League honors in football and wrestling. Served as football and wrestling captain.

He combines speed and strength. Plus, he's tough and a dedicated athlete. Lettered in football under coach Cal Chai at Kamehameha School in Honolulu, Hawaii; also letterd in track. GREG LEO PEARMAN—Sophomore; undecided on major in College of Letters and Science. Up from undefeated 1968 frosh team on which he was a starting offensive tackle. Started somewhat slowly in Spring Practice but was coming strong at close of off-season drills. He's tall (6-5) and lean (210)—and has great potential. Lettered in football under coach Ernie Johnson at El Rancho Hi in Pico-Rivera, Calif.; also lettered in basketball. Won all-league grid honors.

EARL DONALD (PETE) PETERSON—Sophomore; Economics major. Up from undefeated 1968 frosh team on which he was a starting defensive tackle. Indicated in Spring Practice he's eager to play, Has good size. Lettered in football under coach Gene Edwards at La Jolla (Calif.) Hi; also lettered in wrestling, baseball and basketball. Won All-San Diego CIF grid honors in junior year (1966) and was a two-year all-league selection. Served as football captain.

ROBERT M. (PIFF OR BOB) PIFFERINI, JR.—Sophomore; undecided on major in College of Letters and Science. Up from undefeated 1968 frosh team on which he was a starting linebacker. STEPHEN DOUGLAS (STEVE) PRESTON—Junior; Economics major. Played 140 minutes mostly at offensive guard and briefly at center last year; and played on 1967 frosh team. Has all the credentials, including size and quickness, to be an outstanding offensive lineman. He and senior Ron Tretter give the Bruins' solid 1-2 depth at OLG. Lettered in football under coach Milt Smaha at Eisenhower Hi in Rialto, Calif.; also lettered in track. Won All-Southern California CIF grid honors and placed fifth in 1966 State shot put (62-11). Incidentally, he's a most versatile footballer, playing fullback in high school, wingback on frosh team and has now played guard and center for varsity.

ROBERT JAMES (JIM) RAYL — Sophomore; Pre-Medical major. Up from undefeated 1968 frosh team on which he was the starting safetyman. Showed promise as a defensive cornerman in Spring Practice. Won honorable mention on 1968 All-Pacific-8 and AP and UPI All-Coast teams but figures to earn much more "All" recognition this Fall. Tabbed to be one of the country's foremost defensive linemen. As a "nose man" (middle guard), the coaching staff doesn't believe any center will be able to handle Reese. He's quick, tough and smart. Also he's extremely strong and has the great ability to make the tackle. As a soph, he was voted UCLA's "Rookie-of-the-Year" award. Lettered in football under coach Jack Ferrill at Liberty Union Hi in Brentwood, Calif.; also lettered in track. Won All-Northern California prep grid honors. Played on North team in 1966 Shrine prep classic in Los Angeles. Served as football captain.

season drills that he's capable of pushing the talented Mr. Jones. Sims is fast, strong, has fine balance and figures to be one of the Bruins' top runners. Plus, he's tough and hard-nosed. Definitely, a Bruin to watch. Lettered in football under coach C. C. Spates at Dunbar Hi in Fort Worth, Texas; also lettered in basketball. Won All-State prep grid honors. Served as football captain.

Transferred to UCLA in the Fall of 1967 from UC Santa Barbara where he played frosh football in 1966. Led the 1968 Bruins in pass interceptions with five. He's the only full-time starter returning from last year's defensive secondary. He had a good Spring Practice and works hard to improve. He's quick and has the desire to hit people. Lettered in football under coach Al Walbel at Fallbrook (Calif.) Hi; also lettered in wrestling and baseball, won all-league grid honors. Served as football and wrestling captain. WILLIAM RICHARD (BILL) SUSA, JR.—Sophomore; History major. Last Fall transferred to UCLA from Pierce College in Woodland Hills, Calif., where he lettered one year (1967) in both football and baseball. Was a member of the non-playing JV squad last season. Suffered a broken leg in a freak pre-season accident (stepped on a bag of footballs on the practice field) and wasn't able to return to action until mid-season last year. A really smart and dedicated football player, he could be one of the best offensive linemen on the Coast. Last year, he won UPI All-Coast honorable mention and also was the recipient of UCLA's N. N. Sugarman Trophy for "best spirit and scholarship." Indicated in Spring Practice that he is bigger and stronger than ever. He figures to be one of the 1969 Bruin leaders. JAMES RANDOLPH (RANDY) TYLER — Sophomore; undecided on major in College of Letters & Science. Up from undefeated 1968 frosh team on which he was the starting fullback for the first two games until sidelined by a knee injury. Carried the ball 19 times for 185 yards and a neat 9.7 average and two TD's. Unfortunately, he reinjured his knee in frosh baseball last Spring and consequently missed some of the off-season drills. However, he did practice enough to indicate he'll be in the thick of the fight at FB. He's strong, tough and quick. A Bruin to check! Lettered in football under coach Stan Thomas at Neff Hi in La Mirada, Calif.; also lettered in baseball. Was 1967 All-Southern California CIF Small Schools' "Player-of-the Year." Also won All-CIF honors for two years in baseball. Served as football captain three years and baseball one year.

TERRY ALAN VERNOY—Sophomore; Pre-Medical major; Phi Delta Theta fraternity. Up from the undefeated 1968 frosh team on which he was the starting offensive split end. He tied with end Blaise Evers as the Brubabes' leading pass receiver with seven catches

for 87 yards and no TD's. Impressed in Spring Practice with his moves and ability to catch the ball with people around. Lettered in football under coach Bob Schlatter at Warren Hi in Downey, Calif.; also lettered in track. Won all-league honors and served as captain in both sports.

FRED RAY WARREN — Junior; Speech major. Transferred to UCLA in Fall of 1968 from Loyola University of Chicago, Ill., where he lettered in frosh basketball and frosh track. Hasn't played football for several years (Loyola doesn't play football) but indicated in Spring Practice he's a good athlete with size (6-2, 200), speed and moves to be a good nne. Of course, he has to get back into the swing and feel of the game. Also hopes to play basketball at UCLA. As a frosh guard at Loyola, he averaged 20 points and 12 rebounds a game. Lettered in football under coach John Bednarik at Neptune (New Jersey) Hi; also lettered in track and basketball. Won All-State honors in both football and basketball and also was a 9.7 and 21.5 sprinter.

DON LEWIS WIDMER—Senior; Economics major. Started all 10 games and played 270 minutes, the second most time of any returnee, at linebacker last year; started two games and played 146 minutes at LB in 1967; and was honorary captain of the 1966 frosh team. Last year he was the recipient of UCLA's Captain Don Brown Memorial Trophy as the team's "most improved player." He wound up 1968 with a spectacular performance against USC when he made 16 unassisted tackles and was in on four more to earn deserving "Lineman-of-the-Game" acclaim. There's no doubt he and Mike Ballou give the Bruins two of the finest linebackers in collegiate ranks. He's exceptionally strong, tough and is a dedicated football player. Figures to be a top Bruin leader in '69. Lettered in football under coach Pihl Harmon at Manteca (Calif.) Hi; also lettered in wrestling. Won All-Northern California CIF grid honors and also was the State CIF 191-lb. wrestling champion. Played on North team in 1966 Shrine prep classic in Los Angeles. Served as both football and wrestling captain.

RICK WILLIAM WILKES—Junior; Business Education major. Transferred to UCLA last Spring from Long Beach (Calif.) City College where he starred in football for past two years. He won 1968 All-Metropolitan Conference first team honors at flanker back. Last year he caught 40 passes to rank No. 2 among the conference receivers. (Worth noting: His quarterback at LBCC was Dennis Dummit. They are now together again at UCLA.). Impressed at split end in Spring Practice and figures to see a lot of action this Fall. He's a talented receiver with good moves. However, he must improve on his blocking. Lettered in football under coach Roger Hull at Millikan Hi in Long Beach. Won All-City prep grid honors and in his senior year caught 55 passes. Served as football co-captain.

BIG TEN RIVALRY RESUMES

After a lapse of three seasons, UCLA resumes intersectional football play with Big Ten teams, facing Wisconsin at Madison Sept. 27 and Northwestern at Evanston, Ill., Oct. 4 on back-to-back Saturdays this fall.

Last time the Bruins played the Badgers was Oct. 3, 1953 in Los Angeles Coliseum, with UCLA winning, 13-0. Last time they met the Wildcats was Sept. 25, 1948 in the Coiseum, with UCLA losing, 19-0. And the last time the Bruins played a Big Ten team was Jan. 1, 1966 in the Rose Bowl when UCLA scored a stunning 14-12 victory over No. 1 ranked and previously unbeaten Michigan State.

UCLA has now played each of the Big Ten members in football except Indiana. The Bruins go into 1969 action with an all-time record of 11 wins, 16 losses and 2 ties against the Big Ten:

Team	W	L	T	Team	W	L	T
Illinois	2	5	0	Minn.	0	1	0
Indiana	Never Met			N'western	0	3	0
Iowa	4	0	0	Ohio St.	1	1	0
Michigan	0	2	0	Purdue	1	0	2
Mich. St.	1	3	0	Wisconsin	2	1	0

UCLA's ALL-TIME TOP TEN

Below is listed UCLA's all-time "top 10" leaders among ball carriers, passers, total offense, pass receivers, punters and scorers. Note that three 1969 Bruins are already among the leaders—Greg Jones No. 10 in ball carrying, Jim Nader No. 10 in passing and Zenon Andrusyshyn No. 7 in punting and No. 11 in scoring—and figure to move up this season among the top ones in their respective categories.

UCLA's 50th ANNIVERSARY, BUT...

This 1969 year is the Bruins' 51st season of football competition. They started their pigskin campaigning back in 1919 and have come a long ways since that first year when, believe it or not, they lost to Los Angeles' Manual Arts High School by a 72-0 score. Now, UCLA is recognized nationally as a major football power, a major power in virtually every intercollegiate sport.

HISTORY OF UCLA

ROYCE HALL

Though still young compared to many other leading U.S. universities (it dates its founding only to 1919, when it became part of the University of California system), UCLA has reached maturity in size and may be approaching it in academic stature as well as in athletic success.

UCLA is holding its enrollment as close as possible to the prescribed limit of 27,500-student average for its three quarters, with its fall totals running slightly over those of Berkeley at something more than 28,000.

Since 1929, UCLA has been developing its foothill campus of 411 acres between Bel Air and Westwood Village; campus building is now 80 per cent complete.

Here, 77 departments of instruction in 14 schools and colleges are devoted to the serious task of producing high-quality graduates for California's growing needs in science, education, business, and industry. In addition, 23 research institutes, bureaus and centers serve the research needs of society.

UCLA's teaching and research staff totals 2,900, and the non-academic staff numbers 6,400.

To accommodate this intensive teaching and research program, UCLA has built a $270,000,000 plant, the bulk of it since World War II, and construction is still continuing. A number of the largest projects have been built without the use of state money; for example, the 19-million-dollar residence halls and the 14-million-dollar parking structures were constructed with borrowed funds, and their cost is being repaid by student, faculty, and public users. Other buildings represent a combination of public and private funds: Pauley Pavilion, for example, received $2,000,000 from the state to cover academic uses, $1,000,000 from UCLA alumni, $1,000,000 from student funds, and $1,000,000 from Regent Edwin W. Pauley.

Another structure built with non-tax funds is the new $1,532,00 Track and Field Facility, a 12,500-seat stadium financed by student fees, except for the $100,000 for seating contributed by athletic event income.

UCLA's facilities have also been enhanced by private gifts in the academic fields. For example, UCLA's remarkable collection of ethnic art is based largely on the gift of 25,000-item Wellcome Collection, one of the world's finest. The Franklin D. Murphy Sculpture Garden contains 30 major sculptures by leading 20th Century artists, all gifts of friends of the University.

While physical expansion is the most obvious single facet of UCLA's growth, perhaps an even more significant development is the university's vigorous achievement in instruction and research, which has earned it a respected place among the leading academic institutions of the nation.

Academically, UCLA's ranking in the top dozen of American universities in graduate instruction was confirmed by the recent American Council on Education study, and the campus has been making rapid strides in related areas, such as its library resources (with its more than 1,450,000 volumes, it ranks 11th in size among the nation's university libraries, and fourth in overall strength, according to the A.C.E. study).

DR. CHARLES E. YOUNG
UCLA Chancellor

UCLA's Chancellor is 37-year-old Dr. Charles Edward Young—youngest man ever to head one of the University of California's nine campuses. He took office on September 1, 1968, succeeding Dr. Franklin D. Murphy who announced his resignation to become Chairman of the Board and Chief Executive Officer of the Times Mirror Company in Los Angeles.

Dr. Young served for eight years as an assistant to Dr. Murphy and as Vice Chancellor of UCLA, handling administrative, budgetary and student problems. Known as "Chuck" to his many friends, he stands 6 feet 3 inches in height and weighs just over 200 pounds.

Dr. Young is the seventh chief executive at UCLA, having been preceded by Dr. Ernest Carroll Moore (1919-36), Dr. Earle R. Hedrick (1937-42), Dr. Clarence A. Dykstra (1945-50), Dr. Raymond B. Allen (1952-59), Dr. Vern O. Knudsen (1959-60) and Dr. Murphy (1960-68).

UCLA's newest Chancellor was born in San Bernardino, Calif., on December 30, 1931, where he attended high school and junior college. During the Korean War he enlisted in the Air Force and attained the rank of sergeant as Personnel Service Supervisor—serving in California and Japan. Before going overseas, he married a college sweetheart, Sue Daugherty.

Returning to civilian life, he enrolled in the newly-established University of California, Riverside. During his senior year in 1955 he demonstrated his "take charge" qualities by becoming UC-Riverside's first student body president.

He then enrolled at UCLA where he studied for his M.A. (1957) and Ph.D. (1960) in political science—writing his doctoral dissertation on "Politics of Political Boundary Making." In 1958, he went to Washington, D.C., on a Congressional Fellowship and worked with Congressman Lee Metcalf and Senator James Murray, both of Montana.

In 1959, President Clark Kerr lured Dr. Young back to California with an offer to join his staff. For about a year he served as staff assistant to the academic team drawing up the Master Plan for Higher Education in California, worked on the University Growth Plan, and studied University decentralization. He also taught political science at Davis in the spring of 1960.

In the fall of 1960, after Franklin D. Murphy was appointed UCLA Chancellor, he chose as his assistant the young-man-on-the-go. In 1962, Dr. Young took a step on the administrative ladder to Assistant Chancellor, and in 1963 became Vice Chancellor. He holds an academic appointment as associate professor of political science at UCLA. His writing and teaching have been in American political theory and politics.

Dr. Young enjoys spectator sports. He was a high school football player and attends almost all UCLA football and basketball games.

DR. THOMAS L. JACOBS
Faculty Athletic Representative

Serving as Faculty Athletic Representative is Dr.Thomas L. Jacobs, appointed earlier this year by Chancellor Charles E. Young to succeed the late Dr. Bradford A. Booth. This is the second time that Dr. Jacobs has been UCLA's Faculty Athletic Representative, having served previously in 1961.

As the Chancellor's representative to the Pacific-8 and NCAA, Dr. Jacobs works with faculty representatives from the other member schools in determining all policy matters and approving all governing legislation at the conference and national levels, including eligibility of student athletes. In May, 1969, he was elected president of the Council of the Pacific-8 Athletic Conference.

Dr. Jacobs is a long-time spectator at UCLA football games, attending every season for the past thirty years.

As a teacher and scholar, Dr. Jacobs is an organic chemist who has done notable fundamental research on polymers and on creating compounds modeled after naturally-occurring hormones and antibiotics. During World War II, he was director of an anti-malaria program for the Office of Scientific Research and Development. During 1967-68 Dr. Jacobs served as Chairman of the UCLA Academic Senate.

He took his Bachelor's degree at Cornell College in Iowa in 1930, and his Ph.D. in chemistry at Cornell University in N.Y. in 1935. After teaching four years at Harvard, he joined the UCLA faculty in 1939.

When his teaching and research permit, Dr. Jacobs is an active golfer and enjoys camping, hiking, and angling. He is a member of the Sierra Club.

His own athletic career includes three years of high school football at Forest City High School in Iowa and one year of football at Waldorf Junior College, also in Forest City.

Dr. Jacobs lives with his wife Ruth in West Los Angeles. They have a married daughter, Antoinette Kaiser, herself a mother of two boys, who lives in Santa Barbara, and two sons, both students at the University—Richard, 25, a senior in history at UCLA, and William, 20, a junior at the Davis campus studying public administration.

J. D. MORGAN
Director of Athletics

J. D. Morgan is now in his sixth year as UCLA's athletic director, a position he has held with distinction since July 1, 1963. The Bruins' full 18-sport program has been most successful under his leadership.

During his six-year tenure, as of June 1, 1969, the Bruins have won seven NCAA team championships—in basketball (1964-65-67-68-69), tennis (1965) and in track (1966)—and two National Collegiate titles

in volleyball (1965-67).

This past 1968-69 year was highlighted by the Bruins' unprecedented sweep to a third straight NCAA basketball title and by winning three undisputed Pacific-8 Conference titles in baseball, tennis and track on one May day (5/17/69). The Bruins also were mighty proud of another championship water polo team (even though its string of victories was broken at 50) and the finest soccer and rugby teams in their history, with the latter winning the coveted World Cup for the first time and being ranked No. 1 in the nation.

Another highlight this past year came when the Bruins won the 1968-69 Pac-8 All Sports Cup, emblematic of overall excellence in the conference athletic program, for the third time in the past four years. UCLA also won in 1966-67 and 1965-66.

And J. D. is proud of the UCLA football program under coach Tommy Prothro, who has posted a solid four-year record of 27 wins, 12 losses and 2 ties against the toughest opponents in the country, including a UCLA "first," a Rose Bowl win over Michigan State on Jan. 1, 1966.

In addition, his tenure has been highlighted by the move of the Athletic Department into new and permanent quarters, the return of Bruin basketball to the campus in Pauley Pavilion, opening of a new boathouse for crew at Marina del Rey and the opening last spring of a new on-campus track stadium. A new on-campus baseball facility is slated to start construction on July 1, 1969.

He has been at UCLA since 1946 employed in the positions of accountant, associate business manager, tennis coach and now athletic director.

Morgan's tennis coaching career, in which he turned out 16 straight winning seasons, was featured by no less than seven UCLA team championships (1952-53-54-56-60-61-65) and four national runner-up teams (1962-63-64-66). He coached eight NCAA singles or doubles champions, including Arthur Ashe, Ian Crookenden, Allen Fox, Larry Huebner, Ron Livingston, Larry Nagler, Charles Pasarell and Bob Perry. He retired from coaching following the 1966 season because of his duties as athletic director.

In 1966, J. D. was cited for "outstanding professional achievement in the field of athletics" at UCLA's Anniversary Day ceremonies. He's currently a member of the NCAA Basketball Tournament Committee.

He was born in Newcastle, Okla., on March 3, 1919. He attended Cordell, Okla., High School where he was an outstanding four-sport athlete in football, basketball, baseball and tennis. Then, at UCLA, he was a four-year letterman in tennis, serving as 1941 team captain and No. 1 player. A back injury kept him from playing football for the Bruins.

Morgan graduated from UCLA's School of Business Administration in 1941. During World War II he commanded a Navy torpedo boat.

He is married to the former Cynthia Gray Crane. They have a son, Kevin, 15, and a daughter, Pamela, 8.
